

# Coupling-Decoupling Network

## C D N L-801 M4 N

IEC 61000-4-6

|                      |                  |
|----------------------|------------------|
| AE Port              | 4mm Banana       |
| EUT Port             | 4mm Banana       |
| Leads                | L1+L2+L3+N       |
| Mains                | 3 x 400 V        |
| Max. Current         | 16 A             |
| IN Port              | BNC 50 Ohm       |
| Frequency range      | 0,15 ... 230 MHz |
| HF Power Dissipation | 6 Watt           |
